# The Opportunity Shop

Where Bargains  
Await You!

## Expect the Unexpected

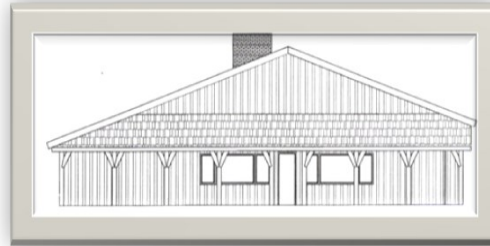

For such a small town, Dubois has much to offer. We have so many great organizations and businesses who are ready and willing to lend a helping hand whenever the need arises. It is the people behind these businesses and organizations, along with many private citizens who have made Dubois what it is today.

Most businesses employ 1-4 individuals, while the organizations have many wonderful community member who volunteer their time selflessly to bring various activities and events to our little town.. Some organizations, such as the Opp Shop. concentrate on "outreach" while others concentrate on youth, the elderly, wild-life, animal well being, economic improvements and advertising. When you put them all together (over 52 organizations) you get DUBOIS!

Dubois is a place like no other. A place where clear skies, mountains, red cliffs, rivers and streams. all come together. It is a place, where no matter what your income, religion, or personal status may be, you will feel welcomed. We take pride in community. Whether you're a residents or a visitor, we hope your experience in Dubois is a memorable one. Stop by the Chamber office or website for more information and links to all that Dubois has to offer, then get out there and grab a little bit of the "Dubois Experience".
